

CAMI, ILIR & KATE  
ILIRKATE@IAFR.ORG

Serving with **International Association For Refugees**, Kate and Ilir are part of a multi-national church planting team in Athens, Greece, known as **One Heart**.

Refugees and asylum seekers come to Greece hoping to find peace, safety and a better future. But what they experience upon arrival is more uncertainty and struggle.

**Christian Counseling for Refugee Women.** N initially came to One Heart for a doctor's appointment. A refugee from Afghanistan and mother of two, N was unable to care for herself and her children because of major emotional distress. Having suffered trauma and violence in her past, N became overwhelmed by what she was forced to navigate in her new life as a refugee. That is when N first met with our counselor and began a journey of healing through trauma-informed counseling. N started experiencing healing as she felt safe, respected, and understood. Today, she is healthier emotionally, more confident and hopeful—better equipped to cope with life's challenges as she cares for herself and her children.

Please pray for

- God to heal N and other refugee women from trauma.
- The volunteer translators who enable the women to receive counseling.
- Viorica, a trauma-informed counselor with 12 years of experience assisting victims of human trafficking. An immigrant herself, she is a strong believer in Jesus Christ and the power of the Holy Spirit
